

Love Song Of Jimmy And Angela

Words & Music by Erika Paul
From the cd entitled, "Adolescent Drama"

You're crazy in a good way (Jimmy)
You know how to make me happy (Angela)
You're funny, you make me laugh (Jimmy)
Your eyes when you look at me (Angela)

You always smell so nice (Jimmy)
I love being with you (Angela)
I love when you set me straight (Jimmy)
I love that you do what I say (Angela)

I love the way your voice sounds (Jimmy)
Your scent on my pillow when you're away (Angela)
I love the way you feel about me (Jimmy)
You always take good care of me (Angela)

I love the way you're always on my mind (Jimmy and Angela together)

There isn't one thing I don't love about you (Jimmy)
There isn't one thing I don't love about you (Angela)

Could it be the fun we have together? (Jimmy)
Could it be the things we have in common? (Angela)

All I know is I love you (Jimmy and Angela together)
