

## Mend My Broken Heart

Words & Music by Erika Paul  
From the cd entitled, "Expressions Of Love"

If I asked you  
To hold my hand  
Would you take the time  
Would you show me that you care  
Would you always be there  
Would you help me Mend My Broken Heart?

If I asked you  
To hold me close  
Would you take the time  
Would you show me that you care  
Would you always be there  
Would you help me Mend My Broken Heart?

Even though some time has passed  
It still isn't enough  
To fix this hurt inside  
To fix this hurt inside

If I asked you  
To kiss my cheek  
Would you take the time  
Would you show me that you care  
Would you always be there  
Would you help me Mend My Broken Heart?

Would you always be there  
Would you help me Mend My Broken Heart?
