

## Scat's My Bag

Words & Music by Erika Paul  
From the cd entitled, "Scat's My Bag"

I'm a dedicated jazz vocalist  
I really do love my art  
And I really  
Know what I'm doing

Let me share some secrets of how I learned to scat  
I took a simple melody and changed it just like that

First I sang the melody straight  
Then I started to wait behind the beat  
Then I started changing the melody  
Then I changed the rhythm  
Then I came in early, then I came in late

Scat's My Bag  
I sing whatever I hear  
Scat's My Bag  
I sing whatever I hear

It never sounds the same  
I try to use my brain  
But I mostly use my ear

Scat's My Bag  
I sing whatever I hear  
Scat's My Bag  
I sing whatever I hear

It never sounds the same  
I try to use my brain  
But I mostly use my ear

It never sounds the same  
I try to use my brain  
But I mostly use my ear

It never sounds the same  
I try to use my brain  
But I mostly use my ear
