

There's A Fly In My Room

Words & Music by Erika Paul & Dwight Carlson
From the cd entitled, "Scat's My Bag"

There's A Fly In My Room
There's A Fly In My Room
I'm gonna get him with my broom
There's A Fly In My Room

There! He landed on the bed
There! He landed on the bed
I'll try to swat him on the head
There! He landed on the bed

Mother's running up the stairs
Mother's running up the stairs
All the noise has made her scared
Mother's running up the stairs

Now this fly is on the door
Now this fly is on the door
Mow Mister Fly is on the floor
I want him gone for evermore

Now he's buzzin' 'round the house
Now he's buzzin' 'round the house
It's like a game of cat and mouse
Now he's buzzin' 'round the house

No! He's headed for my room
No! He's headed for my room
This fly is making me just fume
Now he's headed for my room

There's A Fly In My Room!
