

Tickle Those Ivories Piano Girl!

Words & Music by Erika Paul
From the cd entitled, "Scat's My Bag"

Do I hear a bit of ragtime jam?
Do I hear a swingin' jazz band?
Only a cuban montuno will do
Hear the bossa nova's story new

See the girl playin' the piano keys
She's ticklin' those ivories
She doesn't just play only one style
And after a while she'll make you smile

Can you swing to, "It Don't Mean A Thing"?
Can you move and bust a funky groove?
Does a ballad slow you down to let you shine?
Does a metranome help you keep good time?

Tickle Those Ivories Piano Girl!
Dancin' on the keys and jammin' on styles
Happy fingers playin' all the black and white keys
Piano girl, tickle those ivories!

Can you sing this bluesy riff?
Go on and give it a try
Can you sing this bluesy riff?
Go on and give it a try
Before this bluesy solo
Has gone and passed you by

Tickle Those Ivories Piano Girl!
Dancin' on the keys and jammin' on styles
Happy fingers playin' all the black and white keys
Piano girl, tickle those ivories
